MEDICAL PROVIDER NETWORK OF DOCTORS

Dear Worker:

The Basic Crafts exclusive list of Medical Providers is constantly being updated in an attempt to better serve your needs. Our network of care providers includes any Blue Cross PPO provider, any Health Net HMO provider, or any Kaiser provider. This list mirrors the Health and Welfare Funds for all Crafts joining this program.

In order to determine if a particular doctor is within our network, ask the care provider if they are a Blue Cross PPO provider, a Health Net HMO provider, or a Kaiser provider. Or, look for them online at www.BasicCrafts.org by clicking the Claims Info link and then the Medical Provider link. Then, click into the links to Blue Cross, Health Net, and Kaiser. If you are not able to use the website, or have any questions regarding a particular doctor, please contact the Basic Crafts personnel at **1 800-526-0888**.
